

LEGENDARY LEADERSHIP

Our Leadership Skills
Development Programme
for New Leaders

A powerful **two day** training programme
designed & delivered by our **award-winning**
leadership communication specialists.

“Leaders become great, not because of their power,
but because of their ability to empower others.”

- John Maxwell

This is your invitation to learn the language of leadership...

LEGENDARY LEADERSHIP

Learn the leadership skills to motivate and inspire your team to become high performing as quickly as possible.

Why is this right for you?

You're ready to learn how to lead your team to high performance in as little time as possible - and keep them there, even during times of uncertainty, change and organisational growth.

You'll want to know how to flex your leadership style, delegate effectively and motivate every member of your team.

You'll also want to lead with confidence during challenging periods of pressure & conflict.

What does it fix?

As a leader, you want to learn more effective ways to delegate & motivate your team.

Your team's performance is inconsistent and therefore is in danger of missing targets.

You know that there are some difficult conversations ahead as you manage the performance of some individuals on your team.

You want to learn how to coach your team in order to get the best out of them.

You are under pressure to be the leader who will inspire their team to become high performers - fast.

“Great leaders find ways to connect with their people and help them fulfil their potential.”

Steven J. Stowell

What will it give you?

As a new leader (in role for 3 months or more) you recognise the need for excellent leadership, planning and communication skills in order to motivate and drive your team to achieve the results that your organisation expects.

This action packed two day workshop will ensure that you walk away having learned and practiced the skills & techniques that you'll use every day when leading & motivating your teams, problem solving, delegating, strategic planning, providing feedback and handling conflict.

Packed with powerful techniques used by the most effective leaders in business today, this workshop will give your leadership skills the confidence boost that they need.
